Some reminders for the golf league:

No coaching or caddying is allowed for any CYO golfer. Parents are not allowed to coach or carry the golfer's bag.

The player furthest from the hole is the next to strike the ball.

Carry your bag with you after each shot so you do not have to go back to the fairway after a shot.

ETIQUETTE: No golfer should putt out until all golfers have reached the green. There should be no talking while your opponent is ready to hit. All players must wear a collared shirt.

Count all strokes; putt out all balls; pick up if you reach double par on a hole, e.g., par 3= 6; par 4 = 8; par 5 = 10.

Players should complete nine (9) holes in 2 hours and 15 minutes.

Volunteers are needed during matches. If anyone would like to assist at these matches, please indicate on the registration or call the CYO Office at 471-0062.
